AGENDA

1.) ORDINANCE 1361-16: PERSONNEL POLICY HANDBOOK AMENDMENT

City Attorney Seth Claytor read the resolution title.

City Manager Leavengood stated that the employee handbook sets forth in detail the employee benefits programs, personnel policies, general guidelines, and disciplinary rules of the city. The last formal review of the Personnel Manual was conducted last year, and adopted on October 20, 2014.

The City of Lake Alfred has evaluated the current needs of the City's general provisions, definitions, employment policies, holidays, leave, employee recognition, and other provisions. The proposed revisions and amendments throughout the manual are listed in exhibit "A". Following the major revisions from previous years, staff have reviewed the policies on a continuing basis and how they have been implemented and applied. The majority of the changes are designed to clarify and to improve the intent of existing policies. Two years ago there was a major revision however this is more of a clean-up. One item of substance that was discussed during the budget preceding was the authorization for the leave buy-back program. The City had a program in the past. It was eliminated because it was too open ended and it was not in the budget. This authorization would allow for a limited program geared towards employees with tenure and more accrued vacation time. The City budgeted \$15,000 this year for that program. This is the language to allow the City to provide the program at the limited budgeted amount that is still a benefit to the employees.

Staff recommended approval of Ordinance 1361-16 on first reading.

The City Commission asked about the loyalty oath, if the payback policy for the cost of a medical exam if the employee does not complete one year of employment conflicts with Federal Labor Law, accrued vacation and sick rates, short term and long term disability, and bereavement pay for relatives.

Staff responded that the oath is stating that the employee will follow the rules of the City, County, and the State of Florida. This is a standard item across the cities. The medical cost refund is at the discretion of the city and no employee is payed at minimum wage which is addresses by the Federal Labor Laws. The language came from the City of Winter Haven's handbook and is mainly for the extensive testing performed by the Police Department. The policy is already in place for the Police Department through Departmental policies. If the policy was in conflict with the Fair Labor Laws the cost could be waived. Staff will confirm if there is any conflicts with any Labor Law. In addition language could be added it distinguish that the cost must be refunded if the employee was terminated "with cause" or a not to exceed comment.

The maximum sick accrual is 96 hours per year. An employee would need to work more than 10 years to accrue 960 hours in order to reach the maximum rate of 520 hours payback after the 50% reduction. City employees currently do not have large banks of sick time, rather many employees use the time as it is accrued. The buy-back program encourages them to save hours to be able to participate in the program. The payout is them at their current rate of pay

DRAFT

and they have time in case of a major medical event. The City does not offer short and long term disability as a benefit. The employees can purchase these additional policies. The cost to pay a Department head for 500 hours would be approximately \$15,000, but it would take decades to accrue and does not have a large budget impact. The program caps the accrual and allows for a limited buy-back program which would reduce a large payout when someone leaves. For bereavement, relatives and family are defined in the definitions section. The policy also limits the amount of days per fiscal year.

Commissioner Maultsby moved to approve Ordinance 1361-16 on first reading; seconded by **Commissioner Duncan**. The motion was approved by unanimous voice call vote. There were no citizen statements.

2.) CONTINUING SERVICE AGREEMENT: RAFTELIS FINANCIAL CONSULTANTS

3.) RAFTELIS: TASK ORDER #1: UTILITY RATE STUDY

City Manager Leavengood stated that as a part of the comprehensive review of city codes and policies, city staff has identified an opportunity to clean up and update the City's utility code and rate structure. The City's current water rate has been unchanged since 2003 (12+ years) with a base rate of \$12.95 that provides 6,000 gallons and an additional \$1.00 for each 1,000 gallons used above the six thousand per customer. The City's current sewer rate has been unchanged since 1990 (25+ years) with a flat rate of \$40.54 per customer. Based upon a survey of other local utilities, Lake Alfred's combined water & sewer minimum rate is high compared to others; average at 4,000 gallons of usage; and well below average at 8,000 gallons of usage. The City has a flat rate where other cities have increasing (tiered) rate system by usage.

The City's utility system does not have any major pending improvements, capacity issues, or financial needs. The goal of the rate study will be to restructure the system to be more equitable by lowering the base rate while providing variation in the billing amount based upon usage while still providing a stable revenue source for the City. The current system does not encourage conservation and the customers that use the least amount of water are essentially subsidizing the utility bill for higher water users by paying a flat rate. A tiered system would also promote conservation and protect the water supply. The Water Management District is pushing conservation rates and may tie it to future permits. It is also an item of discussion at the Water Cooperative meetings. The goal is to be revenue neutral.

The City included \$30,000 in the current 2015/2016 fiscal year budget for the performance of a utility rate study. City staff is proposing to piggyback off the competitive request for qualifications process conducted by the City of Winter Haven that selected Raftelis in January of 2015 for the performance of similar services.

The City of Winter Haven issued RFQ- 15-08 in 2008 requesting firms to submit qualifications to perform professional consulting services regarding a fire a easement study and a water and

DRAFT

sewer rate study to assist the city in establishing and implementing the program and a review of its water and sewer rates and other financial studies the City may have. Four (4) firms submitted qualification in response to RFQ-15-08 and the city selected Raftelis as the best qualified to perform the professional consulting services outlined in their RFQ.

Under the proposal, Raftelis will perform a thorough review of the City's utility system including data collection, policies, and will provide a new rate design, comparisons, and options. The information and options will be presented during our regular budget process beginning in the Spring of 2016. The Commission will review the options and any desired changes to the rate structure would be formally presented in August or September of 2016 to coincide with the adoption of the annual budget.

Staff recommended approval of the Continuing Service Agreement with Raftelis Financial Consultants and approval of Task Order #1 with Raftelis Financial Consultants.

The **City Commission** thank the City Manager for addressing this topic since it is often brought up by citizens. The Commission discussed the two approvals required. They also asked if the \$30,000 would cover the study and if businesses rate for water and sewer would be addressed.

Staff responded that the \$30,000 should cover the first task order unless the City requested change orders. The City will also be evaluating all the City policies such as definitions of commercial and such as multi-unit residential and assisted living. The City currently does not have a commercial rate structure. Nor does the City bill based on meter size. The City does not want to make the structure to complicated but commercial uses will be reviewed. Commercial that uses a small amount would benefit just like a low residential user. The City also wants to be sensitive to dramatically increasing a user's monthly charge. The Commission would need to take two separate actions (agreement and if approved, the task order).

Commissioner Dearmin moved to approve the Continuing Service Agreement with Raftelis Financial Consultants, seconded by **Commissioner Duncan**.

Ron Schelfo, 640 East Lakeview Rd., thanked the City Manager for bring the item and that this great opportunity to have fair rates.

Joseph Hults, 824 James Way, stated that he uses more water for irrigation. He stated that the minimum should be based on the combined irrigation and household water usage (when there are two separate meters). Otherwise people will start using the household water for irrigation. The Lakes Development is building out and if the rates are too high or require no grass landscaping then people will not want to build in Lake Alfred.

The **City Commission** asked why the irrigation water is labeled as reclaimed water, if the consultant would be evaluating the utility infrastructure, and they discussed the reasons for the high sewer rate.

Lowell Schmidt, 365 East Sandford, stated that he has two meters, but he has the two water distribution systems connected. He uses approx. 3,400 gallons of irrigation water per month.

His main issue is the sewer rate. The current rate was mandated at one point in time and needs to be re-evaluated. He stated that Auburndale has tremendous re-use system for industry.

Margret Whitten, 340 Carolina Ave South, stated she is concerned about water conservation and the amount of times people are watering their yard. She only has one meter and did not know why some people have two meter.

Staff responded that other Cities also have a tiered rate for irrigation. The rates and gallon intervals are different than the household water tiers. This is another item that may need to be addressed by policy. Users who use more irrigation water would be charged higher rates.

The second meter policy was implemented by the Commission in the 1980's. The second meter was installed for conservation purposes because the water from the irrigation meter goes on the yard and back to the aquifer. Water from the house goes into the septic and sewer system which is costly to operate. The City completed a 5 million dollar upgrade to the sewer plant in 2005 per state mandates.

Houses with one meter are grandfathered because they were built before the policy was adopted. If a resident with one meter installs a new irrigation system, a second meter would need to be installed because the policy addresses new construction or a new house. Rate changes may also make the City move towards two meters for residents currently on one meter. The City does not want to penalize residents just because they have one meter. If the sewer rate is based on your water usage, residents will want a second meter for irrigation to reduce their sewer rate. In addition the irrigation usage needs to be tracked because it is reported to the state and affects the City's water permit. .

The Consultant will review the billing, construction, where the utilities are located, the age of the pipes, etc. The City does not want a drastic rate structure or create volatility in revenue.

The City does not have a reclaimed water system. It is very expensive because it is another utility. The City of Auburndale's re-use water goes to the power plant, Coca-Cola, and Florida Polytechnic (which paid to have the pipes installed).

The City is evaluating the rates and policies based on equity rather than utility needs. There are no major CIP projects needed at this time. The current sewer rates are based on the massive improvements that were need to the sewer system in 1989. The cost was then divided by the number of customers and that is why the rate has been high.

The motion was approved by unanimous voice call vote.

SECTION 3
STANDARDS OF CONDUCT

3.01 General Policy

The City of Lake Alfred has established a system of personnel management to assist in providing superior service to the community.

The City advocates the concept that the quality of public service can reach maximum efficiency through a Personnel Management System based on merit principles.

Employees are encouraged to develop skills and seek formal training that will enhance their personal development and add to the overall expertise of the organization.

It is the policy of the City to expect compliance from employees with all Personnel Policies, state statutes and federal regulations in the performance of duties. An employee who violates any of the Personnel Policies shall be subject to disciplinary action.

An employee of the City of Lake Alfred represents the City in all his/her dealings with the public. Being a representative involves a degree of duty and obligation regarding public and private conduct which is not common to other classes of employees. A City employee's appearance, attitude, and behavior all announce to our customers, both internal and external, what may be expected from the City government.

3.02 Equal Employment Opportunity

The City of Lake Alfred has adopted an Equal Employment Opportunity Plan, which is on file at the City Clerk's office.

3.03 Harassment

It is the policy of the City of Lake Alfred that each employee shall work in an environment free of discrimination, and any form of harassment, based on race, color, religion, age, gender, pregnancy, national origin, handicap or marital status (and any other protected class as established by law). The City prohibits any such discrimination or harassment under these provisions.

- A. Sexual harassment constitutes discrimination and is illegal under federal, state and local laws. For the purposes of this policy, sexual harassment is defined, as in the Equal Employment Opportunity Commission Guidelines, as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example: (i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; ii) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (iii) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.
- B. Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, national origin, age, disability, [alienage or citizenship status, marital status, creed, genetic predisposition or carrier status, sexual orientation] or any other characteristic protected by law or that of his/her relatives, friends or

associates, and that: (i) has the purpose or effect of creating an intimidating, hostile or offensive work environment; (ii) has the purpose or effect of unreasonably interfering with an individual's work performance; or (iii) otherwise adversely affects an individual's employment opportunities.

- C. The City of Lake Alfred prohibits retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports. Retaliation against an individual for reporting harassment or discrimination or for participating in an investigation of a claim of harassment or discrimination is a serious violation of this policy and, like harassment or discrimination itself, will be subject to disciplinary action.
- D. The above is not to be construed as an all-inclusive list of prohibited acts under the City's Harassment Policy

Any employee who believes he or she has been the target or victim of harassment, discrimination, retaliation, or a hostile work environment should report the incident immediately to their immediate supervisor, City Manager, or the City Attorney to initiate an investigation of the claim.

With the cooperation of the concerned employee, the investigation will be carried out with respect for the confidences and sensitivity of all persons involved. The concerned employee will be afforded protection from retaliation. The results of any investigation of alleged harassment, discrimination, retaliation, or hostile work environment shall be promptly communicated to the employee. Where charges are substantiated, appropriate action will be taken, up to termination.

The City of Lake Alfred recognizes that false accusations of harassment can have a serious effect on innocent men and women and that absolute guilt or innocence may be difficult to prove. However, individuals determined to have made false accusations of harassment will be subject to appropriate disciplinary action, up to termination.

The provisions, processes and actions taken under this section are related to anti-discrimination statutes and are not a general civility code. Federal law does not prohibit simple teasing, offhand comments, or isolated incidents that are not extremely serious. Rather, the conduct must be so objectively offensive as to alter the conditions of the individual's employment. The conditions of employment are altered only if the harassment culminates in a tangible employment action or is sufficiently severe or pervasive to create a hostile work environment. Complaints or investigations that are determined to not meet the test of severity, pervasiveness, or tangible employment action set herein may otherwise be addressed under Section 12: Disciplinary Action.

3.04 Conflict of Interest

This policy is in accordance with Florida Statutes, entitled "Code of Ethics for Public Officers and Employees".

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. This policy establishes only the framework within which The City of Lake Alfred wishes the business to operate. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of operation. Contact the appropriate Department Head for more information or questions about conflicts of interest.

Transactions with outside firms must be conducted within a framework established and controlled at the executive level of The City of Lake Alfred. Business dealings with

outside firms should not result in unusual gains for those firms. Unusual gain refers to bribes, product bonuses, special fringe benefits, unusual price breaks, and other windfalls designed to ultimately benefit either the employer, the employee, or both. Promotional plans that could be interpreted to involve unusual gain require specific City Manager approval. Penalty for violation of this policy will be immediate termination.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of ~~The the City's~~ of Lake Alfred's business dealings. For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

No "presumption of guilt" is created by the mere existence of a relationship with outside firms. However, if employees have any influence on transactions involving purchases, contracts, or leases, it is imperative that they file a sworn statement to this effect with the City Clerk as soon as possible to address the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties.

Employees will not transact any business in their official capacity with any business entity of which they are an officer, Department Head, agent or member, or in which they own a controlling interest, excluding civic, charitable, or religious organizations.

Employees shall not have personal investment in any enterprise which will create a conflict between their private interest and the public interest.

Personal gain may result not only in cases where an employee or relative has a significant ownership in a firm with which the City of Lake Alfred does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving the City of Lake Alfred.

3.05 Political Activity

In accordance with Florida Statutes, and as specified herein, City employees will not take any active part in political campaigns in the election of the City Commission for the City of Lake Alfred.

No employee or other person will solicit, orally or by letter, or be in any other manner concerned in obtaining any assessments, contributions, or services for any political party while on duty with the City.

Nothing herein contained will be construed to restrict the right of the employee to hold membership in and support a political party, to vote as he/she chooses, to maintain political neutrality, or to attend political parties after working hours.

No employee shall use his/her position with the City in order to benefit any political party and/or candidate.

3.06 Employment of Relatives

The employment of relatives in the same area of an organization may cause serious conflicts and problems with favoritism and employee morale. In addition to claims of partiality in treatment at work, personal conflicts from outside the work environment can be carried into day-to-day working relationships.

In accordance with Florida Statutes, a public official or Department Head may not appoint, employ, promote, or advance or advocate for appointment, employment, promotion or advancement of certain relatives in or to a position in the City or Department in which he/she is serving or over which he/she exercises jurisdiction or control. The Statutes define a "Public Official" to mean an officer or employee of the City in whom is vested the authority by law, rule or regulation, or to whom the authority has been delegated, to appoint, employ, promote, or advance individuals or to recommend individuals for appointment, employment, promotion, or advancement in connection with the employment in the City. The Statutes define a "Relative" to mean with respect to a public official an individual who is related to the public official as father, mother, son, daughter, brother, sister, uncle, aunt, first cousin, nephew, niece, husband, wife, grandmother, grandfather, grandchild(ren), father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half-brother, half-sister.

Relatives of persons currently employed by the City of Lake Alfred may be hired only if they will not be working directly for, or supervising a relative, or will not be working directly above the relative's immediate superior or directly for the relative's immediate subordinate. The City of Lake Alfred employees cannot be transferred into such a reporting relationship.

If the relative relationship is established after employment, the individuals concerned will decide who is to be transferred. If that decision is not made within 30 calendar days, the City Manager will decide.

In other cases where a conflict or the potential for conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment.

This section does not apply to persons serving in volunteer capacity who provide emergency medical or firefighting services. Such persons may, without losing volunteer status, receive reimbursements for the costs of training and incidental expenses in relation to their volunteer status.

3.07 Outside Employment

City employment will be considered to be PRIMARY employment and no employee may engage in outside employment which will interfere with the interest of the City service. An employee may hold a job with another organization as long as he or she satisfactorily performs his or her job responsibilities with The City of Lake Alfred. All employees will be judged by the same performance standards and will be subject to The City of Lake Alfred's scheduling demands, regardless of any existing outside work requirements. Prior to beginning any outside employment, employees will inform their Department Head of the name of the outside employer, the nature of the work and hours of work.

Any employee accepting outside employment under the terms of this rule will make arrangements with the outside employer to be available to respond immediately to any emergency call of duty whenever the Department Head or City Manager will determine that the employee's services are necessary.

If the City of Lake Alfred determines that an employee's outside work interferes with performance or the ability to meet the requirements of the City of Lake Alfred as they are modified from time to time, the employee may be asked to terminate the outside employment if he or she wishes to remain employed with the City of Lake Alfred.

Injuries sustained while engaged in outside employment are ineligible for benefits under the City's Worker's Compensation program. An Employee may utilize accrued vacation

and/or sick leave for an injury sustained while engaged in outside employment. Should an employee exhaust all of his or her accrued vacation and/or sick leave, the employee's Department Head may terminate the employee if, depending on the extent of the injury sustained while engaged in outside employment, he or she is unable to perform the essential requirements of the employee's position with the City.

City property will not be used for outside employment.

Outside employment will present a conflict of interest if it has an adverse impact on The City of Lake Alfred as determined by the City Manager. The City Manager will notify the employee in writing of his or her determination. Failure to comply with the requirements set therein within thirty (30) days of transmittal of the letter will be considered abandonment of their position and subject to discharge.

3.08 Release of Information

Information concerning subjects under discussion or consideration often change in content and meaning before becoming an accomplished fact. Release of such information before final decisions or disposition of the matter often causes misunderstanding and confusion.

It is the intent of the City to ensure that all information released is true and accurate. Unless release of information is a normal part of their duties employees will direct such inquiries to their Department Head or the City Manager.

3.09 Solicitation and Distribution

In an effort to assure a productive and harmonious work environment, persons not employed by the City may not solicit or distribute literature in the workplace at any time for any purpose without the express authorization by the City Manager.

The City recognizes that employees may have interest in events and organizations outside the workplace. However, employees may not solicit or distribute literature concerning these activities during working time unless expressly authorized by the City Manager. (Working time does not include lunch periods, work breaks, or any other periods during which employees are not on duty.)

In addition, the posting of written solicitations on company bulletin boards is prohibited. Bulletin boards are reserved for official organization communication on such items as: City Commission information, public hearing notices, employee announcements, internal memoranda, job openings, organization announcements, payday notice, Worker's Compensation insurance information, and State disability insurance/unemployment insurance information, etc.

3.10 Employee Debts

An employee's financial transactions are the employee's personal affair. The City will not act as a collection agency against an employee unless so ordered to carry out a garnishment by a court of competent jurisdiction or the United States Internal Revenue Service.

However, should complaints concerning an employee's failure to meet financial obligations result in interference with the City service, the employee concerned will be so informed and appropriate action taken by the Department Head or the City Manager.

3.11 Use of City Property

The City provides employees with necessary equipment, materials and vehicles to carry out their job assignments. When employees are assigned equipment, it becomes their responsibility to exercise reasonable care in its use and to preserve the life of the equipment while observing all safety precautions. Employees shall not make personal use of any City owned property and shall also seek so as not to give the appearance that such property is in the personal use of the employee. Violations of this policy may subject an employee to disciplinary action, up to and including termination.

Employees are responsible for all city-owned property, materials, or written information issued to them or in their possession or control. All City property shall be returned by employees on or before their last day of work. The City may withhold from the employee's check or final paycheck the cost of any items that are not returned when required. The City may also take all action deemed appropriate to recover or protect its property.

3.12 Dress and Appearance

Dress, grooming, and personal cleanliness standards contribute to the morale of all employees and affect the image that the City presents to citizens and visitors.

During business hours, employees are expected to present a clean and neat appearance and to dress according to the requirements of their positions. All clothing issued constituting regulation uniform shall be worn on duty and there shall be no substitutions to the required uniform. No clothing issued by the City shall be utilized in any manner whatsoever while off duty.

Hair, nails, jewelry, clothing and similar appearance factors shall not be displayed in a manner which interferes with the employee's safety or productivity, or the safety and productivity of co-workers.

Consult your supervisor or department head if you have questions as to what constitutes appropriate attire and appearance.

3.13 Personal Business

Conducting personal business while on official duty should be kept to a minimum. If it is necessary for the employee to make telephone calls or meet with persons not employed by the City, the discussions should be held during breaks or meal period. Exceptions will be allowed only in cases of emergency.

3.14 Acceptance of Gifts

Employees shall not accept anything of value, including a gift, loan, reward, promise of future employment or services that would cause a reasonably prudent person to be influenced in the performance of official duties; or are based upon any understanding that the judgment of the employee in carrying out his/her employment responsibilities would be influenced thereby (Section 112.313, Florida Statutes, Section 2).

3.15 Internet Access

Computers, computer files, the E-mail system, and software furnished to employees are the property of the City of Lake Alfred and are intended for business use. Employees are prohibited from using another employee's password or login ID. Employees are prohibited from accessing files, or retrieving any stored information or communication, that are not within the scope of their normal job duties.

The City strives to maintain a workplace free of harassment and sensitive to the diversity of its employees. Therefore, the City prohibits the use of computers and the E-mail system in ways that are disruptive, offensive to others, or harmful to morale.

For example, the display or transmission of sexually explicit images, messages, and cartoons is not allowed. Other such misuse includes, but is not limited to, ethnic slurs, racial comments, off-color jokes, or anything that may be construed as harassment or showing disrespect to others.

E-mail may not be used to solicit others for commercial ventures, religious or political causes, outside organizations, or other non-business matters.

The city purchases and licenses the use of various computer software for business purposes and does not own the copyright to this software or its related documentation. Unless authorized by the software developer, the City does not have the right to reproduce such software for use on more than one computer.

Employees may only use software on local area networks or on multiple machines according to the software license agreement. The city prohibits the illegal duplication of software and its related documentation. Also, no software will be installed on city computers without prior authorization from the City Manager.

Employees should notify their immediate supervisor, the City Manager or any member of management upon learning of violations of this policy. Employees who violate this policy will be subject to disciplinary action, up to and including termination of employment.

3.16 Use of Phone and Mail Systems

Personal use of telephones for long-distance and toll calls is not permitted without approval of the Department Head. Employees should practice discretion in using city telephones or personal cell phones when making local personal calls and may be required to reimburse the city for any charges resulting from their personal use of the telephone. Employees using their personal cell phones should limit their use to breaks and/or their lunch time unless there is an emergency as authorized by the Department Head. Misuse of personal cell phones during the work day may result in disciplinary action to the employee.

The use of city-paid postage for personal correspondence is not permitted.

To ensure effective telephone communications, employees should always use the approved greeting and speak in a courteous and professional manner. Please confirm information received from the caller, and hang up only after the caller has done so.

The City of Lake Alfred provides e-mail accounts and internet access for City business. Inappropriate use or abuse of City e-mail accounts or internet will subject employees to disciplinary action, up to and including termination.

3.17 Smoking

In keeping with the City's intent to provide a safe and healthful work environment, and in compliance with the Florida Indoor Clean Air Act, smoking in the workplace, including e-cigarettes, is prohibited within any municipal building.

This policy applies equally to all employees, customers, and visitors.

unrestricted area, employees should immediately notify their supervisor or, if necessary, direct the individual to the nearest city office.

SECTION 4
EMPLOYMENT POLICIES

4.01 Appointing Authority

The City Manager has the authority of appointment and removal of subordinate positions. Such authority may be delegated to a Department Head.

4.02 Position Control

All positions in the City are established and maintained through a personnel budget each fiscal year. The establishment of new or additional positions can be authorized by the City Manager subject to adequate justification on need and availability of funds.

4.03 Types of Appointments

It is the intent of the City of Lake Alfred to clarify the definitions of employment categories so that employees understand their employment status and benefit eligibility.

Each employee is designated as either NONEXEMPT or EXEMPT from federal and state wage and hour laws. NONEXEMPT employees are entitled to overtime pay under the specific provisions of federal and state laws. EXEMPT employees are excluded from specific provisions of federal and state wage and hour laws. An employee's EXEMPT or NONEXEMPT category may be changed only upon written notification by City of Lake Alfred management.

In addition to the above categories, each employee will belong to one of the following employment categories:

- A. Regular Full Time employees are those who are not in a temporary or probationary status and who are regularly scheduled to work ~~Lake Alfred's~~ full-time schedule. Generally, they are eligible for the City of Lake Alfred's benefit package, subject to the terms, conditions, and limitations of each benefit program.
- B. Regular Part-Time employees are those who are not assigned to a temporary or probationary status and who are regularly scheduled to work 28 or fewer hours per week. Part-time firefighters, reserve police officers, and any other city employee(s) must work or be scheduled to work at least 1,250-hours per fiscal year to be classified as a regular part-time employee.
- C. Probationary employees are those whose performance is being evaluated to determine whether further employment in a specific position or with the City of Lake Alfred is appropriate. Notices of all regular, full-time, and part-time job openings are posted, although The City of Lake Alfred reserves its discretionary right to not post a particular opening. Job openings will be posted on the employee bulletin board and remain open for a minimum of three days.

Each job posting notice will include the dates of the posting period, job title, department, pay scale, job summary, essential duties, and qualifications (required skills and abilities).

The City Manager may waive the requirements in certain cases at his/her discretion. Eligible employees can only apply for those posted jobs for which they possess the required skills, competencies, and qualifications.

4.08 Promotions

An employee is promoted when he/she is selected for a higher level position with the City. City employees shall receive preference when applying for vacant positions for which they are qualified.

4.09 Demotions

A demotion is the assignment of an employee from one class to another which has a lower maximum rate of pay. The City may demote an employee from one class to another which has a lower maximum rate of pay in the following instances:

- A. In lieu of lay-off when a position is to be abolished or an employee with prior rights returns to the position.
- B. In lieu of dismissal when an employee is not performing satisfactorily or when a health examination conducted by the City's physician discloses that the employee is not physically qualified to perform the duties of the position.
- C. When an employee fails to perform satisfactorily during the probationary period following promotion.

The City shall furnish the employee a written statement containing the reasons for the demotion.

4.10 Reinstatements

An employee who has resigned in good standing or whose position has been abolished may be rehired, if a vacancy exists, to the same or similar position by the same department from which the employee left.

An employee may be reinstated at the same pay rate as previously received or may revert to a lower rate within the pay range at the discretion of the City Manager.

Reinstated employees that have separated from the City's employment for less than three (3) months may resume the same seniority & pension (if applicable) benefits they enjoyed prior to termination except herein as otherwise specifically provided. Reinstated employees are subject to the provisions of the applicable pension and insurance programs that are in effect at the time of reinstatement.

Reinstated employees that have separated from the City's employment for more than three (3) months will be considered new employees for the purpose of all benefit calculations.

4.11 Initial Probationary Period

The initial probationary period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether they are a good fit in the organization. The City of Lake Alfred uses this period to evaluate employee capabilities, work habits, and overall performance.

All new and rehired employees work on a probationary basis for one (1) year after their date of hire. During the initial probationary period, new employees are eligible for those benefits that are required by law (e.g. work comp, social security, etc.). The employee may also be eligible for other City of Lake Alfred-provided benefits, subject to the terms and conditions of each benefits program. Employees should read the information for

each specific benefits program for the details on eligibility requirements. A probationary employee will receive credit for the probationary term for the purpose of accruing benefits when and if the employment status is converted to full time regular appointment. A new employee in their initial probationary period will be ineligible to receive accrued benefits should he/she become separated for any reason during the probationary period.

An initial probationary employee is subject to dismissal without cause or the right of appeal at any time during his/her initial probationary period.– The initial probationary period is completed when a written evaluation and recommendation for regular appointment is conducted by the appropriate Department Head in accordance with existing evaluation standards. Recommendations for completion of probationary period and regular appointment are subject to approval by the City Manager.

Any significant absence during the initial probationary period, as determined by the appropriate Department Head, will automatically extend a probationary period by the length of the absence.– If the City of Lake Alfred determines that the designated probationary period does not allow sufficient time to thoroughly evaluate the employee's performance, the probationary period may be extended for up to an additional six (6) months at the discretion of the ~~appropriate~~respective Department Head with such an extension being documented in the employee's personnel file.

4.12 (Secondary) Probationary Period

A secondary probationary period or probationary period is intended for all probationary periods related to transfers & promotions. A ~~secondary~~ probationary period is limited to a period of six (6) months. If during the six (6) month probationary period, the employee is found to be unqualified or not a good fit for the new position, the employee may return to their previous position, with the approval of the Department Head if a vacancy exists. If the former position is filled, every effort will be made to place the employee in a comparable position. If a vacancy or alternative position does not exist the employee shall be dismissed in good standing with the City (See section 16.08).

An employee within a secondary probationary period will continue to accrue and have use of all benefits consistent with their employment classification as a regular part time or regular full time employee.

4.13 Hours of Work

The normal work schedule is 40 hours per week, consisting of five (5) eight (8) hour shifts. Exceptions are Fire Fighters and Fire Department Shift Commanders who work an average fifty-three (53) hour work week, and the Police Department's work schedule which consists of eighty-six (86) hours over a normal pay period. Supervisors will advise employees of the times their schedules will normally begin and end. Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week.

4.14 Timekeeping

All nonexempt employees are required to keep a formal record of their time worked. Such records will be kept using a time card and/or mechanical device used to document time. Employees are required to punch in upon arrival to work, out and back in during meal periods, and punch out at the end of the workday. Certain Police and Fire personnel are exempt from this policy. The City will provide machines for this procedure. Any correction or additions to times cards must be initialed by the supervisor. All salaried employees (that are exempt from the Fair Labor Standards Act) are not required to use a time clock, however shall report days worked, or leave (vacation, sick, etc.) used.

4.15 Paydays

Paychecks are distributed on a bi-weekly (every two weeks) basis. Payday normally falls on Friday, and employees will be notified if payday is shifted due to Holidays, City closings or other circumstances.

4.16 Overtime

When operating requirements or other needs cannot be met during regular working hours, employees may be scheduled to work overtime hours. When possible, advance notification of these mandatory assignments will be provided. All overtime work must receive the supervisor's authorization. Overtime assignments will be distributed as equitably as practical to all employees qualified to perform the required work.

Overtime compensation is paid to all nonexempt employees in accordance with federal and state wage and hour restrictions. Overtime pay is based on actual hours worked. Time off on sick leave, vacation leave, or any leave of absence will not be considered hours worked for purposes of performing overtime calculations. Failure to work scheduled overtime or overtime worked without prior authorization from the supervisor may result in disciplinary action, up to and including possible termination of employment. Emergency situations will be dealt with on a case by case basis.

Kelly Day (Pertains to 24 hour shift fire department employees):

- A. Kelly Day Defined: Fire Department personnel working an average of 53 hours a week are credited with a Kelly Day in lieu of overtime. A Kelly Day is credited for every thirteen (13) shifts worked and may not be split or taken in less than twenty-four (24) hour increments. Shift personnel are paid for 106 hours bi-weekly and K-Day is given as compensation for any overtime worked over 212 hours during the 28 day period.

Only one (1) Kelly Day may be accrued at any given time and must be used before another can be accrued. A Kelly Day shall not be accrued within the 28 day cycle if time off (hours not worked) during that period equates to four (4 shifts).

- B. Kelly Day Use: Kelly Day must be used within the work cycle following the cycle the time was earned and cannot receive vacation pay and Kelly K-Day at same time. At the discretion of the Fire Chief a K-Day can be moved or exchanged if;

1. At the time of the move does not create overtime.
2. K-Day exchange occurs on the same shift and within the same 13-shift cycle.
3. Does not exceed the number of personnel allowed off per shift.
4. Does not cause a shortage of personnel on a shift.
5. Exchange is of mutual agreement by all parties.
6. Called back into work on a scheduled day off for K-Day.

Kelly Day and Holiday: K-Day will be treated like other scheduled time-off in regards to Holiday pay. Sick leave will be the only time-off that the person will forfeit their Holiday benefit. K-Day that consequently falls on a Holiday should be considered as the "luck-of-the-draw" and the eventually everyone would receive a portion of this good fortune.

4.17 Attendance

To maintain a safe and productive work environment, the City expects employees to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees in the City. In rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they shall notify their supervisor as soon as possible in advance of the anticipated tardiness or absence.

Poor attendance and excessive tardiness are disruptive. Either may lead to disciplinary action, up to and including termination of employment. Three (3) consecutive absences without providing proper notification to the employee's immediate supervisor or Department Head will be considered an abandonment of their position and may result in discharge from employment with the City.

4.18 Performance Evaluations

Supervisors and employees are strongly encouraged to discuss job performance and goals on an informal, day-to-day basis. Formal performance evaluations are conducted at the end of an employee's probationary period in any new position. This period allows the supervisor and the employee to discuss the job responsibilities, standards, and performance requirements of the new position. Additional formal performance evaluations are conducted to provide both supervisors and employees the opportunity to discuss job tasks, identify and correct weaknesses, encourage and recognize strengths, and discuss positive, purposeful approaches for meeting goals.

The ratings will be made a part of the procedures affecting promotions, demotions, transfers, separations, permanent assignments, and other personnel status changes, which require such pertinent and job-related information to form the basis for objective personnel decisions. Additionally, the evaluation is intended to identify strengths and weaknesses; provide for counseling of the individual employee; reveal work performance requiring improvement; identify training needs; and disciplinary actions.

The employee will be included in the job performance evaluation process and will be advised as to the results in discussions with the rating supervisor.

All employees will be required to sign their respective evaluation forms, signifying that they have reviewed their rating. Such signature does not necessarily reflect agreement with the results of the evaluation. Employees shall have the opportunity to file a letter should they disagree with the rating received, which later will become part of the employee's personnel file.

4.19 Employee Training

The City may establish and develop educational, counseling and training programs for employees. The purpose of such programs is to increase operational efficiency, improve public/employee relations and to assist employees in preparing themselves for positions of increasing difficulty and responsibility.

The City Manager may send Employees, Volunteers or those performing work for the City to take/receive training, classes, or instruction at the City's cost (or reimburse for the same) if it is determined to be a benefit to the City to do so.

of employment physical examination and drug screen, if applicable, and any other assessments, i.e. polygraph, psychological examination, credit history report, fingerprint background check, and motor vehicle reports. The offer of employment and assignment to duties is contingent upon satisfactory completion of the exams.

If a second test is required for any reason, the individual employee, at the discretion of the appropriate Department Head, will be held responsible for the cost of the exam.

~~After an offer has been made to an applicant entering a designated job category, a physical and/or medical examination will be performed at the City of Lake Alfred's expense by a health professional of the City of Lake Alfred's choice. The offer of employment and assignment to duties is contingent upon satisfactory completion of the exam.~~

If a newly hired employee fails to complete one year of service with the City, said new hire shall be required to refund the City this expense, the full value of which shall be deducted from the terminating employee's final check provided that deductions made for items which are for the primary convenience of the City shall not reduce the employee's wages below the required minimum wage in a given pay period. Should the final check be insufficient to cover the refund due, the departing employee will be required to make other repayment arrangements. The City retains the right to waive the refund requirement, at its discretion, subject to the approval of the City Manager.

Information on an employee's medical condition or history will be maintained confidentially.

This provision may be waived by the Department Head if the employee submits evidence that it was impossible to give such notification.

If an employee is absent for three or more consecutive days due to illness or injury, a physician's statement is required verifying the disability and its beginning and expected ending dates. Such verification may be requested for other sick leave absences as well and may be required as a condition of receiving sick leave benefits.

An employee who has exhausted sick leave, must use vacation leave for the duration of the use or request Leave without Pay.

An employee, who has exhausted all leave benefits, must request Leave without Pay or the employee may be subject to termination.

Family Medical Leave (FMLA) may be paid, unpaid or a combination of paid or unpaid. If the employee has accrued sick leave and/or vacation leave, the employee must use

A serious injury or illness also includes injuries or illnesses that existed before the service member's active duty and that were aggravated by service in the line of duty on active duty.

The single 12-month period for military caregiver leave begins on the first day the employee takes leave for this reason and ends 12 months later, regardless of the 12-month period established by the employer for other FMLA leave reasons.

- I. The intent of this section is to comply with the provisions of the Family Medical Leave Act and to provide reference information related to its primary provisions. Nothing stated within this section shall be construed as to conflict with or to represent all applicable FMLA standards. Substantive information, specific questions, and up to date standards should be referred directly to the Department of Labor or through the City's Human Resources designee for verification.

J. When an employee is ready to return to work from FMLA their return should be coordinated with Human Resources and the employee must provide the medical certification for return to work **prior** to their return.

The effective date of separation from the City of Lake Alfred's service shall be at the close of business on the last day the employee reports for duty, which will be determined at the discretion of the Department Head and indicated in the employee's personnel file. Under no circumstances shall vacation leave be considered a part of the two (2) week notice resignation period. Absent extenuating circumstances as determined by the City Manager, if an employee does not provide the required advance notice of resignation, the employee shall be considered ineligible for rehire.

10.03 Retirement

A procedure whereby an employee is separated from the City; and is consistent with the provisions of the retirement plan in effect.

10.04 Health

The City may request that an employee be examined by the City's designated physician. If disability of any kind is discovered which impairs the effectiveness of an employee in performing the work or makes continuance on the job a danger to the employee or others, the following action shall be taken:

- A. If the disability is correctable, the employee will be allowed a specific time to take steps to have the disability corrected, at the expense of the employee. If the employee fails to take steps to have the disability corrected within the specified time, the employee shall be subject to dismissal.

If, in the opinion of the examining physician, the disability cannot be corrected, the City Manager will attempt to place the employee in another position in which he/she can perform satisfactorily. If that step cannot be accomplished successfully, the employee shall be separated either through retirement or dismissal.

10.05 Death

For record keeping purposes, separation shall be effective as of the date of death. All compensation and benefits due to the employee as of the effective date of separation shall be paid to the beneficiary, surviving spouse, or the estate of the employee, as determined by law.

- C. Performance evaluation for the past three (3) years or for the entire period of service where the length of service with the City is less than three (3) years.

To be valid, said determination must be provided for in writing and included in the Employee's personnel file.

Charges which form the basis for a dismissal of an employee shall be specific and shall be documented, including dates and places of incidents, and shall include documentation of progressive discipline (if any) as specified within the disciplinary action section of this handbook.

The procedure for dismissal shall be as follows:

- B. Regular Full-Time or Regular Part-Time employees who are to be dismissed with cause shall be notified in writing of the specific causes for dismissal prior to dismissal. Such notice will include the employee's rights of appeal.

The City Manager or designee may suspend an employee for disciplinary reasons or pending court proceedings concerning actions that may result in dismissal.

- A. An employee may be suspended with or without pay for acts involving unsatisfactory performance or conduct prejudicial to the public interest.
- B. If the employee is restored to employment, full pay for the entire period of suspension will be paid and eligibility for accrual of leave credits shall not have been interrupted by the suspension.
- C. The employee shall receive written notice, stating the nature and reason for the action, the duration and rights of appeal.

It is the desire of the City to determine why employees leave employment. An exit interview program may be established and administered to determine the causes of and possible solutions for turnover within the work force. Employees may request an exit interview with the Human Resources office within two (2) weeks of leaving employment.

SECTION 11
SAFETY

11.01 Accident Prevention

Department Heads, supervisors and employees should recognize their responsibility for a successful safety program and will participate in the development, implementation and improvement of this program. Supervisors must have a continuing concern with all possible safety and operational procedures. Inadequate safety training, improper equipment handling, and neglect can increase costs, cause accidents and reduce productivity.

11.02 Accident Reporting

Employees will be advised by their supervisor of their responsibility to immediately report all injuries that occur on the job to their supervisor. Delay in reporting an injury can cause complication of the injury and delayed recovery.

Accident reports must be submitted by the injured employee's supervisor within twenty-four (24) hours of the accident or the report of the injury. If the accident occurs over a holiday or weekend, the accident report should then be submitted within twenty-four (24) hours from the time the work period starts after the weekend or holiday. This applies to industrial accidents and first aid injuries, as well as to injuries resulting from vehicular accidents involving City vehicles. A vehicular accident report will be submitted. If an employee is injured, an injury report will also be required.

In the case of vehicular accidents, the appropriate law enforcement agency shall be notified immediately.

All employees who cause an accident or are affected by an accident must submit for drug screening and/or physical examination at the City's designated testing facility.

11.03 Worker's Compensation

Payment of Worker's Compensation to employees who are disabled because of an injury arising out of and in the course of performing their duties will be governed by the Florida State Worker's Compensation Law and City procedures.

11.04 Security Inspections

To this end, the City of Lake Alfred prohibits the possession, transfer, sale or use of such materials on its property or premises, unless necessary to perform the employee's job duties. The City of Lake Alfred requires the cooperation of all employees in administering this policy.

Accordingly, the aforesaid, as well as any articles found within them, can be inspected by a Department Head, Supervisor, or the City Manager at any time, either with or without prior notice.

SECTION 12
DISCIPLINARY ACTION

12.01 Intent

It is the intent of the City that effective supervision and employee relations will avoid most matters which necessitate disciplinary action. Each instance differs in many respects from other situations and the City retains the right to treat each occurrence on an individual basis, without creating a precedent for other cases, which may arise in the future. The City Manager retains the right to suspend or rescind any disciplinary action.

The guidelines set forth in Section 12 are not to be construed as limitations upon the retained rights of the City. The policies provide recommended penalties and procedures to apply for specific offenses. This means that a more severe or less severe penalty may be issued than that which appears in the guidelines, if it is justified.

Disciplinary action is intended to correct improper conduct or deficiencies, not to punish an offending employee. Disciplinary action shall, therefore, only be severe enough to constitute an attempt to bring about correction. Discharge shall be resorted to only when other efforts to bring about correction have failed or when the severity of the offense warrants such measures.

Depending upon the circumstances, acceptable disciplinary actions may include:

- A. Written Warning/Counseling
- B. Written Reprimand
- C. Suspension
- D. Demotion
- E. Discharge

In all cases, the Department Head shall notify the employee of the action taken and a copy of such notice will be reviewed & initialed by the employee and then will be included in the employee's personnel file.

In addition to the general types of offenses listed below, infractions of departmental rules and regulations will subject the employee to disciplinary action. Unless otherwise specifically documented by the supervisor initiating the disciplinary action, each disciplinary action will be "active" for a period of (1) year but in no case shall exceed a period of five (5) years or less than a period of six (6) months. Active disciplinary action may be utilized to establish progression in disciplinary action (2nd, 3rd offense, etc.) for future, related or unrelated disciplinary problems or infractions. Further disciplinary action, whether related or unrelated, shall extend the duration of any currently active disciplinary action(s) through the duration of the subsequent action.

12.02 Types of Offenses

2. Quitting work, wasting time, loitering or leaving assigned work area during working hours without permission.
3. Demonstrating productivity or work quality that does not meet required standards of performance.

**LAKE ALFRED CITY COMMISSION MEETING
JANUARY 19, 2016**

2.) ORDINANCE 1362-16: PREPAYMENT CRITERIA AND EXEMPTIONS FOR IMPACT FEES

ISSUE: The City Commission will consider an ordinance establishing prepayment criteria and exemptions for impact fees.

ATTACHMENTS:

- Ordinance 1362-16 with Exhibit "A"

ANALYSIS: The City currently allows for the prepayment of impact fees for the development of vacant property. This type of activity will generally be provided for within a development agreement for larger scale projects where the developer desires to lock in current impact fee rates and also reserve capacity in the City's utility system. However, the City's current code is unclear and does not provide guidance for the prepayment of impact fees outside of a development agreement.

As a result, individual parcels or lots can prepay impact fees and then sit for years. The property can change hands several times and when they approach the City for a building permit staff is faced with a gray area regarding the fees. Are the impact fees tied to the property or the original owner that paid them? Do we charge the fees again to the new owner? If we credit the new owner with the previously paid fees what do we do if the previous owner comes back wanting to be refunded? What do we do about the difference in cost if several years have passed?

The proposed ordinance addresses these concerns and clarifies the procedures for prepaid impact fees outside of a development agreement. Namely, it provides for their validity for three (3) years and credits the impact fees to the current owner of the property. Property owners that approach the City for prepayment of impact fees will have to agree to these provisions in a form or agreement that we will maintain in our records.

The county and other cities in our region have similar provisions and limitations for prepaid impact fees. The additional purpose of these provisions is to incentivize immediate construction or to move owners into a development agreement with the City.

STAFF RECOMMENDATION: Approval of ordinance 1362-16 on first reading.

ORDINANCE 1362-16

The City may accept prepaid impact fees for those established in this Chapter and Chapter 58 of this Code in consideration for reservation of utility capacity, pursuant to terms of a Development Agreement as provided by Section 6.03.00 of the Lake Alfred Unified Land Development Code. The City shall hold prepaid impact fees for the duration of the Development Agreement and shall retain any interest earned on the investment of such prepaid impact fees.

Where no Development Agreement may exist, any impact fees prepaid for new residential or commercial construction shall be evidenced by appropriate documentation as required by the City and retained as a credit on a specified property to be used with a valid building permit within three (3) years of the receipt of such prepaid impact fees.

Upon written request of the current owner, unused prepaid impact fees and their reservations may be removed from the property and refunded to the current owner within three (3) years of the original receipt of such impact fees.

Upon the written request of the current owner and with the consent of the City, prepaid impact fees and their reservations may be transferred to a separate property for construction of equivalent impact within three (3) years of the original receipt of such impact fees. Such a transfer shall not extend the original three (3) year time period for which the prepaid impact fees and their reservations are valid.

In the event the prepaid impact fees are not refunded by written request or not used with a valid building permit on the specified property within three (3) years of the original receipt of such prepaid impact fees, the prepaid impact fees and their reservations shall be removed from the specified property and the prepaid funds shall be forfeited to the City.

The applicant requesting to utilize the impact fee credits or to be refunded their amount must show current ownership of the property.
