

Article II. Contractors

- Sec. 14-22. - Permit required.

Permits shall be procured from the building official by every person, contractor or subcontractor before:

- (1) Doing any work that requires issuance of a permit under Section 105.1 of Chapter 1 - Administration of Florida Building Code, Building; or F.S. ch. 553;
- (2) Doing any electrical wiring or rewiring or altering, changing or attaching to any existing wiring;
- (3) Doing any plumbing work or altering, changing or attaching to any existing plumbing;
- (4) Doing any structural work of any character, whether permanent or temporary; and
- (5) Doing any nonstructural work where the cost of materials exceeds \$800.00.

(Ord. No. 1333-14, § 1(Exh. A), 7-28-2014)
